

MIKE MCMAHON

Seeking Position for: Alameda School Board
www.mikemcmahon.info

1. If elected, what are your top priorities during your term? What would you like to accomplish and how would you go about doing so? Please be specific.

My first priority will be passing a replacement parcel tax. Without a replacement parcel tax public education will be radically changed in Alameda.

My second priority will be focusing on increasing rigor in the classroom. I would like to see AUSD adopt A-G graduation requirements for high school students.

My third priority would be continued communications with the community on public education issues. I have maintained a website and an extensive Email list to communicate with the community.

2. How have you in the past and how will you in the future use your position to expand the presence and influence of Asian Pacific Americans in public policy and politics?

I continue to work with Board member Niel Tam on Asian Pacific Americans issues.

3. What have you done that demonstrates your commitment to and effectiveness in promoting Asian Pacific American interests in the following areas (and if you have not contributed in these areas, please discuss any area(s) in which you have made a contribution):

- **Education** – During California School Board Association Delegate Assembly, I attend breakout sessions of the Asian Pacific Islander caucus to better understand the interests of this group. I can not promote APA interests unless I understand what they are. As my schedule allows I attend APA meetings focused on education.
